Going Beneath the Surface of Hypertrophic Cardiomyopathy

Understanding the Pathophysiology and Deploying New Strategies for Timely Diagnosis and Targeted Treatment

 Wednesday, June 28, 2023

 6:00pm - 7:00pm EDT

 Zoom Meeting ID: 811 1134 4897 Password: 254545 **PRE-REGISTER TODAY! [Click here](#)**

Dr. Anjali Tiku Owens

Director, Center for Inherited Cardiovascular Disease Section of Heart Failure Transplantation and Mechanical Circulatory Support
University of Pennsylvania Perelman School of Medicine
Philadelphia, Pennsylvania

Activity Description

Diagnosing hypertrophic cardiomyopathy (HCM) can be a challenge, as its symptoms are nonspecific and share commonalities with other diseases. HCM can limit an individual's ability to perform activities of daily living and severely affect quality of life, which increase in impact the longer this disease goes undetected or misdiagnosed. So how do we reach a timely diagnosis of HCM and help patients manage symptoms and maintain quality of life? In this live meeting series, an expert cardiologist will address these questions through realistic patient case scenarios to unpack the clinical signs and symptoms that warrant a closer evaluation for HCM and evaluate how current therapeutic options, including novel cardiac myosin inhibitors, can improve symptoms and preserve quality of life through individualized approaches to care.

Educational Objectives

Upon completion of this activity, participants should be better able to:

- Recognize the clinical characteristics and pathologic features suggestive of HCM
- Differentiate patients suspected of having HCM consistent with current guidance and evidence to promote early diagnosis and timely treatment
- Assess the efficacy, safety, and ability of available therapeutic strategies to address the underlying pathophysiology and desired treatment goals
- Individualize treatment regimens for HCM consistent with patient preferences and goals of care

Accreditation, Support, and Credit

 In support of improving patient care, PVI, PeerView Institute for Medical Education, is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Support

This activity is supported through an educational grant from Bristol Myers Squibb.

Physicians

PVI, PeerView Institute for Medical Education, designates this live activity for a maximum of 1.0 *AMA PRA Category 1 Credit*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

MOC Statement

 Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 1.0 MOC points and patient safety MOC credit in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

Participation information will be shared through the ACCME's Program and Activity Reporting System (PARS).
